

ADVANCED TECHNOLOGY WATERLESS CLEANING & DETAILING SYSTEM

**PEARL**<sup>®</sup>

The logo features the word "PEARL" in a bold, black, sans-serif font. The letter "P" is stylized, with a white and purple pearl inside its upper curve. To the left of the text, there are several green leaves with detailed vein patterns, partially overlapping the top of the "P".

AND DETAILING SOLUTION**

WATERLESS

## About Pearl Waterless

All Pearl products are water based and non-hazardous, making them user friendly, environmentally friendly and easy to transport.

Pearl products are designed to be used anywhere, anytime. They can be used on wet or dry surfaces, in hot or cold climates and even in direct sunlight.

Our simple, three product system is fast and easy to use and provides your customer with a scratch free waterless wash and leaving their vehicle with a showroom shine.

WATERLESS

## Our Product Range

### Pearl Universal Cleaner

Choose Pearl Universal Cleaner for all interior cleaning tasks and stubborn exterior cleaning such as baked-on wheel dirt and insects.

The advanced surfactant system delivers fast & efficient cleaning on all surfaces.

Concentrated formula provides excellent economy.

ADVANCED TECHNOLOGY WATERLESS CLEANING & DETAILING SYSTEM

**PEARL**<sup>®</sup>

WATERLESS

## Our Product Range

### Pearl Professional

Pearl Professional cleans & polishes exterior surfaces in one.

This product cleans & restores without using abrasives & leaves 'just-waxed' gloss finish.

**PEARL**<sup>®</sup>

WATERLESS

## Our Product Range

### Pearl Advanced Ultra Nano

The ultimate exterior cleaning & detailing solution: Pearl Advanced will clean, refresh, shine & protect a vehicles exterior in one.

Nano wax technology delivers a high gloss finish, UV protection, repels water & dirt build-up.

WATERLESS

## Our Product Range

### Pearl Eco Tyre Shine

For the finishing touch on tyres use this water-based, universal dressing.

Can also be used to dress, polish & detail interior & exterior plastic trim.

WATERLESS

## Technology in Chemistry

Our unique cleaning chemistry releases and suspends dirt from the surface to allow effective cleaning without the use of abrasives.

We use the highest quality waxes to give a high gloss and long life shine.

Our latest formulation: Advanced Ultra Nano combines the use of Nano Technology and high grade waxes including Carnauba the world's hardest natural wax, delivering an exceptional level of finish and protection.

WATERLESS

## Quality Assurance

The Pearl waterless range is manufactured in the UK to ISO 9001 and 14001 standards.

Extensive and ongoing development by our in house chemists and technicians ensures that Pearl retains its reputation as the market leaders in waterless technology for the professional.

WATERLESS

## Tailored solutions

Pearl products are available in the following pack sizes;  
750ml triggers, 5L, 25L, 205L and 1,000L.

Universal Cleaner, Professional and Advanced Ultra Nano are available as a concentrate.

Private Label products will be supplied in your own unique colour and a confidential business arrangement will be strictly adhered to at all times for mutual protection.

The range is supported but the necessary ancillary items, such as microfibre cloths and dispensers.
