

# PEARL<sup>®</sup>

## WATERLESS

*...innovation in chemical technology*

All Pearl Waterless products are totally non-hazardous, making them extremely user and environmentally friendly.

### *Ultimate versatility*

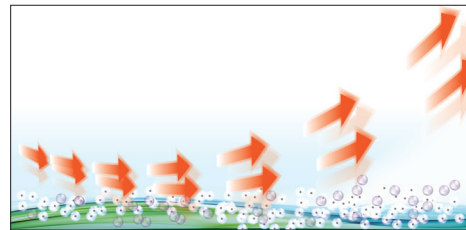

The Pearl System delivers the ultimate car wash versatility:

-  **Use anywhere, anytime – on wet or dry surfaces**
-  **Developed for use in hot climates and direct sunlight**

Pearl cleaning technology is tough on dirt but sensitive on surfaces

**Total cleaning solution inside & out** - paintwork, glass, plastic, fabrics, metal, rubber, chrome etc.

### *Unique cleaning chemistry*

*Releases and suspends dirt from surfaces*

 **Follow simple system for scratch-free waterless cleaning**

 **Fast and easy to use - spray, wipe and buff to shine**

 **Create a superb showroom finish – inside and out**
